

BUILDING BLOCK VIDEO SERIES: NC State Historic Preservation Office How-To Videos

Have you ever wondered how people tackle a historic building rehabilitation project?

Did you know these projects are sometimes eligible for tax credit incentives that can provide financial rewards beyond those received upon a completed project, including community pride, jobs, and often businesses or renewed residential uses?

We know, these projects and historic preservation can seem daunting and confusing. Thus, *Leverage NC* has partnered with the professional team at the *NC Department of Natural & Cultural Resources' State Historic Preservation Office* to create How-To videos to help guide you through their wealth of resources and get you prepared for that next historic rehabilitation project.

This **four-part series** will cover the following subjects and content:

1. The Historic Rehabilitation Tax Credits
2. The Secretary of the Interior's Standards for Rehabilitation
3. The National Register of Historic Places
4. Tutorial of the State Historic Preservation Office's GIS system.
